Do you need something to match that special outfit?

I am able to design an original piece or make an individual creation from your own design. You are able to choose your favourite colours, gems or beads, style and length to create just the right look.

Although no two Individual pieces are the same - I can sometimes offer similar pieces if requested, (although it will depend on the availability of the beads).

Custom pieces made to your needs can often be made in multiples – such as for bridesmaids.

My prices are very reasonable – visit www.maxinefaye.com to see my currently listed designs.

My designs can occasionally be viewed at local Markets, Fairs and Exhibitions.

Please contact me for more details.
